

# 123 VC!!

## JAZZING Up Your Curriculum With Videoconferencing

## Challenging ~ Engaging ~ Authentic

Join leaders in K-12 videoconferencing to learn structures and templates for student projects and collaborations. This class is team taught with VC colleagues in Michigan, New York, North Dakota, Ohio, Texas, and Wales, UK. Guest speakers each day will share additional engaging uses of videoconferencing. Team up with other teachers to create a VC project for next year. Along the way, learn about and use other collaborative technologies such as blogs, wikis, Flickr, Google Docs, Skype, and Twitter.
